

## Customized protection for the road ahead™

### Offering you the flexibility to customize your vehicle coverage

With advancing technology added to vehicles each year, mechanical breakdowns could occur during the lifetime of your vehicle. *i-Select Plus™* is a mechanical breakdown protection program that is designed to protect you and your investment from costly repairs.

*i-Select Plus™* provides flexibility and customization for coverage, term and deductible options to suit your needs.

## Coverage options

### Ultimate Coverage

Protects your vehicle from the breakdown of any parts except for those items listed in the Exclusions Section of the Contract.

### Enhanced Coverage

When Powertrain just isn't enough, Enhanced Coverage brings protection to the next level.

### Powertrain Coverage

Covers major components on your vehicle and offers protection against many major mechanical breakdowns.

### Ultimate Wrap Coverage

Specifically designed for vehicles with underlying Powertrain components protection, and created to enhance this pre-existing coverage.

### Ultimate Diesel/Turbo Wrap Coverage

Coverage specifically designed for vehicles with underlying Diesel/Turbo Engine components coverage; provides the same coverage as Ultimate with the exception of a select list of exclusions.

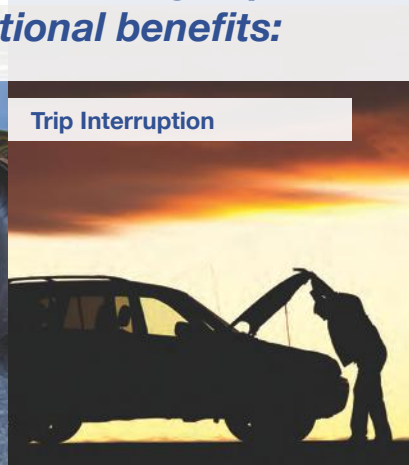

## Drive worry-free. All coverage options include these additional benefits:

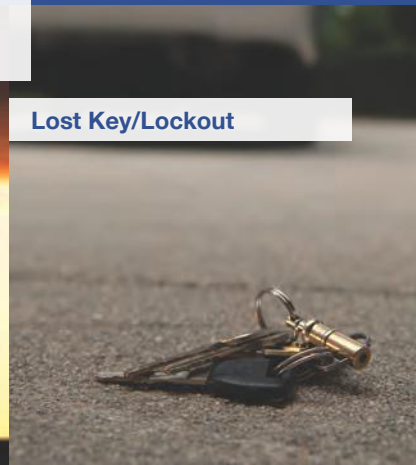

Vehicle Rental

24/7 Towing/Road Service

Trip Interruption

Lost Key/Lockout
